Inspiring ideas in food packaging.

Wicketed Paper Bags from Weber

Green, high speed production capable paper bags from Weber can separate your brand on the shelf. The Bakery Window Bags offer superb visibility, are eco-friendly, keep food fresher longer, and reduce food waste.

- Bag types include standard; corner window; half and half; panorama; racing stripe and double window.
- Specialty coated bags ensure that bread won't dry out. Freshness extended by 5 days.
- Increase your sales by switching to paper bags with visibility windows. Get an artisanal look that also shows off your bread. These bags run on automated lines and are dependable. We know your lines need to run and we can help your brand on the shelf!
